MINUTES
BOARD OF EQUALIZATION
EXEMPT PROPERTY HEARING
APRIL 24, 2012

The Salt Lake County Council convened and met as a Board of Equalization on April 26, 2012. Present were: Councilman Max Burdick; Randy Horiuchi; Councilman Jim Bradley; Councilman David Wilde, Council Chair; Councilman Michael Jensen;; Councilwoman Jani Iwamoto; Councilman Arlyn Bradshaw; Councilman Steve DeBry; Councilman Richard Snelgrove; Kelly Wright, Zach Shaw and Brad Johnson, District Attorney's Office; Richard Burgi and Travis Johnson, Assessor's Office; Jodiann Martin, Pauline Wilson, and Terrie Sherbon, Auditor's Office; and Liz Fehrmann, Tax Administration.

Councilman Wilde called the meeting to order and called for citizen input, if any.

Ms. Martin stated this is the date scheduled for the annual exempt property hearing to approve continuation of exemptions, accept new application, and act on charity care plans and other exempt issues. She gave a brief overview of the exempt process and explained the categories.

Ms. Martin stated agenda items 3A and 3B are requests for continuation exemption with no change in use. Councilman Jensen moved these items be approved. Motion was seconded by Councilwoman Iwamoto seconded and passed.

Ms. Martin stated that agenda items 4A and 4B are requests noting change in use. Ms. Martin made a clarification - attachment for item 4, line 26 and 27 has 5 parcels for Lutheran High School Association shows in change column going from 100 to 0, that is 100% to 0% exemption and the recommendation is to tax beginning December 22, 2011. Line 36, First Congregation Church SLC, the recommendation is to go from 93% exempt to 90% exempt. On lines 38 and 39 that change goes from 86% exempt to 100% exempt and 71% exempt to 86% exempt. Councilman Jensen moved these items be approved. Motion seconded by Councilwoman Iwamoto and passed. Councilman Wilde asked if all the people having these changes were aware. Ms. Martin stated that they had actually reported the changes and we verify those changes. Ms. Martin said that the taxpayer can either submit an application with no change or one showing change in use.

Ms. Martin stated that agenda items 5A and 5B are listings of requests for continued exemption not returned. Every year we have

entities that have previously been granted an exemption who don't return the application. Included in this list we have applications for Mission Health Services as well as the Rocky Mountain Care property holdings, we need to pull these off of this list because we did receive their applications as part of their charity plan. Otherwise we would recommend that when we get to Item 8, we send them a notice to revoke the exemption. Councilman Jensen reaffirmed that we would send notice advising the outstanding exemptions that they had 30 days to return the completed exemption before a revocation hearing. Councilman Bradley asked if the outstanding exemptions still had an opportunity to return their exemption application or was this it. Ms. Martin said yes they did and they would go into more in depth in item 8. Councilman Jensen moved for approval. The motion was seconded by Councilman DeBry and passed.

Ms. Martin stated agenda items 6A and 6B are the new applications for exemption. Under 6A, one clarification under the IHC Central Office, this was also included in their charity plan and the recommendation should be 94% exempt 6% taxable because they have a non qualifying use. 6B is personal property and 6C, these are applications that were received but there is insufficient information for the DA to make a recommendation at this point so we would like to continue those forward. Councilman Jensen motioned for approval of 6A, 6B and 6C as recommended. The motions was seconded by Councilman Horiuchi and passed.

Ms. Fehrmann stated item 7 is a very brief report from the Charity Plan Review Committee. The Committee reviewed the three charity plans submitted along with applications. Ms. Fehrmann asked to skip to B and C, Mission Health Services and Rocky Mountain Care. While the Charity Committee did review the plans that were submitted, there was additional information that the District Attorney's office required of these two entities, therefore we are going to all the DA to work with them and collect any additional information they need and they will come back next week with their recommendation on those two organizations.

Intermountain Health Care, there were charity plans that we reviewed in the committee and there were two parcels that we had changes on. One was already mentioned on 6A, that was the central stores that was changed to 94% and there was one other parcel that will not be exempted. The South Jordan Clinic, parcel 27-22-326-028 and Zach Shaw of the DA's office has been working with IHC to proceed on that.

One additional thing that was discussed at the Charity Plan Review Committee involved an arrangement that we discussed with IHC

where they would be willing to establish a credit at Intermountain Medical Center to be used for the emergency medical care of jail inmates at that facility. They had discussed having a letter of agreement that has not yet been drafted, the District Attorney will be working with IHC legal counsel on it. IHC is here presently if you would like to address them on it. Councilman Jensen asked if an amount had been set. Ms. Fehrmann replied \$200,000. Councilman Bradley commended the Charity Plan Review Committee staff for their work on preparing this information for the Board. He also commended IHC for being extremely generous in terms of understanding that the County has some role in terms of directing the contribution to the community to make sure that it is meeting community needs. Even with the overwhelming and compelling stance that IHC has in the terms of their making a tremendous contribution to community, which they are, we asked for a little more and lo and behold they said yes. It was very, very well done and he wanted to public thank the people of IHC that helped with that. It was a delight to see. Councilman Wilde said they deserved a lot of credit and it wasn't something they needed to do to qualify to be exempt. He felt that this showed that IHC wanted to be great members of the community. That was in addition to \$100,000 that they already provide in conjunction with our Salt Lake County Health Department Health Access project. He echoed Councilman Bradley in his appreciation of their cooperation and their wish to be good members of the community. We all should be grateful for that. Councilman Jensen motioned for approval of 7A, grant the exemption and the approve the charity plan, grant the exemptions as amended by both Ms. Martin and Ms. Fehrmann, and have the DA continue with the letter coming forward about the jail fund to be set up. The motion was seconded by Councilman Snelgrove and passed.

Council Horiuchi recused himself but first congratulated the Charity Plan Committee and Board staff. After visiting with member of IHC, he felt that the County had just plain worn down IHC. The kind of things that we are doing for Salt Lake County proper that is Intermountain, the \$140,000 in charitable that was wrote off. This is not bad debt, these are bills we are going to have to pay for people who have no ability to pay plus providing services as a nonprofit. He wished the Sheriff were there to thank them in person.

Councilman Snelgrove asked as the County still had a relationship with the University Health System, for health needs is IHC used primarily? Does the \$200,000 kick in initially or does the relationship with the University have to be exhausted first then the \$200,000 begin? Councilman Bradley stated that IHC is where we take our prisoners for emergency care, it is the closest facility. Councilman Jensen said part of it is what prisoner gets affected. If it is a condition of parole prisoner and they are a state prisoner

that is in our jail and if it is not life threatening then we take them to the U because it is their responsibility because it is a state prisoner. If it is a life/safety issue or an emergency, then they go to the closest facility which tends to be IHC. Councilman Wilde said that we do have a deal with the University it is not as generous. Councilman Snelgrove asked that once the \$200,000 is exhausted, are the services billed at Medicaid Rates and was assured that it was.

For item 8, Ms. Martin requested that the Board set June 5 as the revocation hearing date. We will send a thirty day letter to the individuals indicating that they have 30 days to submit their application and if it is not submitted they will be scheduled to have the exemption revoked on June 5th. This serves as their official of the revocation hearing.

Councilman Jensen moved that the minutes be approved. Motion seconded by Councilman Bradshaw and passed.

Councilman Jensen moved to approve items 8, 9, 10 and 11. Councilman Horiuchi seconded and motion carried.

Councilman Jensen moved the meeting be adjourned. Motion seconded by Councilman Horiuchi and passed. Meeting adjourned at 2:25.

BOARD OF EQUALIZATION

MAY 8, 2012

Board of Equalization reconvened on May 8, 2012. Councilman Wilde called the meeting to order and called for citizen input, if any.

Item 2: Ms. Fehrmann has for approval of assessor and hearing officer recommendations a count of 202. Councilman Jensen moved for approval. The motion was seconded by Councilman Bradshaw and passed.

Item 3 - Board of Equalization 2011 Late Appeals: Ms. Fehrmann stated that there are two are being dismissed for lack of jurisdiction. They were received after the March 31st deadline. Councilman Jensen moved for approval. The motion was seconded by Councilman Snelgrove and passed.

Item 4 - Exempt Properties: Ms. Fehrmann stated that this would be a continuation of our annual exempt hearing. Ms. Martin stated

the first two parcels were new applications, Property Reserve Inc and Utah Zoological Society, they were continued because we didn't have enough information at time of the exemption hearing so the recommendations are there today. It is recommended to grant the exemption on the first one beginning January 1, 2011 and the second one is June 9, 2011, based on the date of purchase.

Rocky Mountain Care was also carried forward. Brad Johnson from the District Attorney's Office recommended the Murray and West Valley locations be granted exemption. The Yellowstone Care facility is recommended that the exemption be denied. Wes Quinton from Rocky Mountain Care agreed with Mr. Johnson's recommendations. Councilman Jensen moved for approval. The motion was seconded by Councilwoman Iwamoto and passed.

Item 5 - Personal Property: Ms. Fehrmann stated that on Overstock.com, the recommendation is to sustain the revised audited assessment. Councilman Bradshaw moved for approval. The motion was seconded by Councilwoman Iwamoto and passed.

Councilwoman Iwamoto had a question about the exempted non profits that had not initially responded did we mail out the notices. Ms. Martin responded that the Auditor's office had send out the 30 day notices. If they do not respond in 30 days, they will be put on the June 5th hearing for revocation. Councilwomen Iwamoto stated that she had received phone calls from people who had not received their original application and questioned who to have them call. Ms. Martin said to have them call the Auditor's office.

Ms. Fehrmann stated that Mission Health Services, another charity plan applicant, would be back on the agenda next week. The DA's office would have a recommendation for the Board to look at. Additionally, Zach Shaw of the DA's office has drafted a letter of agreement to IHC regarding the health credit for emergency care services for the inmates at the jail. Councilman Wilde asked that the Board would have a chance to look at the letter next week? Ms. Fehrmann stated that the letter had gone to IHC as a draft and would be back to the Board next week.
