

A graphic with a teal background. On the left, a blue hand in a white glove holds a blue mallet, about to strike a blue virus particle. Three white stars of varying sizes are shown in motion, appearing to be kicked away from the virus. On the right, a larger blue virus particle with spikes is shown. The text 'Kick COVID to the curb' is written in white and dark blue. Below the graphic is a dark teal banner with the text 'Get vaccinated & earn up to \$500' in white.

Kick COVID to the curb

Get vaccinated & earn up to \$500

[A Message from the Mayor | October 19, 2021](#) 

Starting now through Dec. 3, Salt Lake County employees can earn up to \$500 by getting the COVID-19 and flu vaccines. Claimed incentives will be included in employees' December 17 paychecks.

- Employees who provide proof of COVID-19 vaccination on or before December 3, 2021 shall receive a payment in the amount of \$300.00.
- Employees who verify that they and every member of their household who are 12+ have received the full series of COVID-19 vaccinations on or before December 3, 2021 shall receive an additional payment in the amount of \$100.00.
- Employees who verify that they have received an influenza vaccination in addition to the full series of the COVID-19 vaccine on or before December 3, 2021 shall receive an additional payment in the amount of \$100.00.
